THE HONEST SPINACH MERCHANT

Some days ago. My Mother went to Bank with ATM card to take salary. She also carried her Credit card. After she took her salary, she went to Market to buy vegetables. She bought some vegetables and Spinach from an old Spinach merchant. When she returned home, she found that both ATM card and Credit card were missing.

She was so tensed and very much confused. At the same time she was murmuring to herself, "where did I miss the card?" She was in frustration and angry.

She went in search of the cards. She searched the places wherever she went. She went to bank and searched the cards in bank thoroughly. But she couldn't find it. She was very upset. She did not sleep

the whole night and she was very restless and disturbed.

The next day, she went to spinach merchant to buy spinach. While buying spinach, she asked the merchant whether he had seen her Atm card and credit card. The Spinach Merchant asked her about the looks of the cards. She said my Credit card was in pink colour and my Atm card was in blue colour. He said, "Yes Madam, I have your cards."

She was very much surprised and slightly happy. He said that, while you were buying spinach yesterday while you were taking money, you missed it. After you went I saw something lying under my table. It was cards I know it belongs to you because after you went nobody came to my shop to purchase spinach.

I immediately went to Traffic officer and showed this card and said that a lady has missed it. The officer said,"The lady might come tomorrow so

keep it with you. If you see the lady tomorrow you can give the cards to her".

My Mother was very happy to get her cards. The Atm card's worth Rs. 1, 00, 000/- and Credit card's worth Rs. 4,00,000. He can do anything with the card but he gave the cards to my mother. He was a poor man but was very honest. If it went to the attention of some rich men they will ignore it or they might misuse it. But a poor spinach merchant showed his honesty. My mother do not want to give money and differentiate him as a third person. From that day on, she became his regular customer. Thus a poor spinach merchant proved his honesty.
